Ashley Marie Code was a lifelong member of St. Ann Parish and a graduate of St. Ann School. At the age of 16, Ashley was diagnosed with brain cancer. Throughout her treatment, the St. Ann Parish carried Ashley and our family through prayer, food, and gifts. The parish was a source of constant love and support for our family through this very difficult time. Ashley was an extremely caring and loving person in her short life of 17 years.

Ashley would love the fact that this golf tournament in her name will bring some peace to other St. Ann families that have been in our situation. Ashley once said, "Be the face of Jesus," and this golf tournament raising funds to help sick people in our parish is a perfect way to fulfill her mission.

Join with the St. Ann Men's Club as they host their 3rd Annual Ashley Code Pay It Forward Memorial Golf Tournament at Bayou Oaks Golf Course in City Park on Ashley Code Day, Friday, September 13, 2019. This event is a

signature fundraiser for the Ashley Code Fund, dedicated to assisting families and children facing debilitating illnesses within our St. Ann community.

There are multiple ways to support this event including support through sponsorship, donation of goods or services which can help us offset certain costs.

Our goal for the proceeds from this tournament to help pay forward the generosity and care for others which was so integral in Ashley's life. A portion of the proceeds will also go to pediatric brain cancer research.
